BEHAVIOUR POLICY

Wickham Recreation Precinct is dedicated to providing a safe, friendly and fun environment for children.

Our goal is to provide activities suitable for school aged children of all backgrounds and abilities, whilst providing:

- A safe and engaging environment.
- A variety of fun and exciting activities
- Effective supervision for the duration of the activities
- Enforcing a behavior management system based on positive reinforcement, ample warnings for negative behavior and acknowledgement of achievement.

We use a positive reinforcement system for behaviour management including verbal praise, sharing achievements, stickers and prizes for good behaviour. In instances where positive reinforcement does not work effectively, we will implement a warning system of dealing with inappropriate behaviour. Inappropriate behaviour may include breaking a program rule, jeopardizing the safety of children or staff and disrespectful conduct toward children or staff. The children will be informed about the rules of the program and consequences for inappropriate behaviour. We feel that this system is easy to understand, fair to all, and appropriate for children in the program:

The **THREE STRIKE WARNING SYSTEM** is acknowledged and enforced by the WRP staff across all child-oriented activities.

1. **First Warning:** The child is verbally made aware of their inappropriate behaviour and why it is not appropriate.
2. **Second Warning:** The child is verbally informed about their continuing behaviour and removed from the group.
3. **Third Warning:** If the child continues to demonstrate inappropriate behaviour, the Program staff will contact their parent/carer for immediate collection of the child.

It is the discretion of the City of Karratha Staff, if the Three Strike Warning is issued for a total of Three Days throughout the program that the child be unable to continue attend the School Holiday Program.
